Colour changing Hanky

1

Hold the ring part of the hanky in your hand and pull the corner through.

2

With one motion of the arm watch the hanky change colour!

Floating Cup

1 Make a small hole in the back of the paper cup so you can fit your thumb in it.

The Trick

2 Tell your audience that you will make the cup float in the air. Place your thumb in the hole then slowly lift your hands.

TIP!

Make sure your audience are sat in front of you for this trick.

Magic Milk

1 Pour some milk into a shallow dish and sprinkle some ground pepper on the surface.

2 ## The Trick

Put some washing up liquid on your finger then dip it into the middle of the dish. Amaze your audience as the pepper moves away from your magic finger!

Rubber Pencil

1 Hold the pencil loosely at the end using your thumb and forfinger

2 Wave the pencil up and down. It appears to bend, just as if it were made of rubber.

TIP!

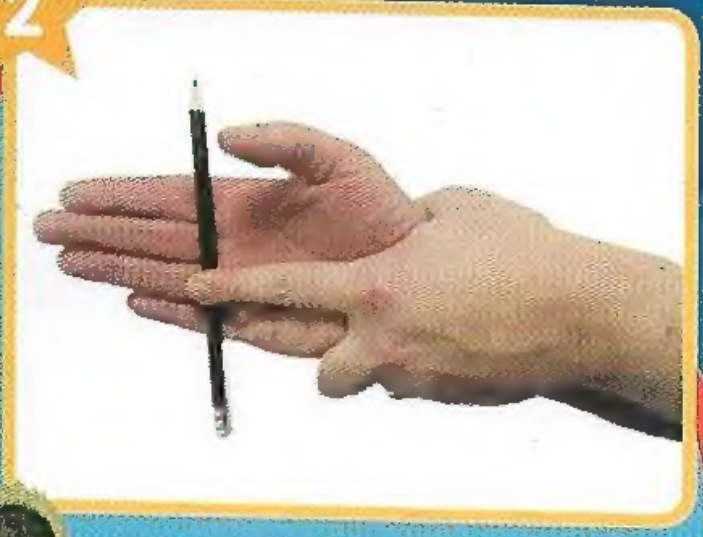
Its all in how you hold your pencil and move your hand!

Floating Pencil

1

Hold the pencil as shown. Move hand up and down giving the illusion the pencil is floating.

2



Here we can see what is really happening, use your index finger to secure the pencil.
